AUCTIONEER'S NOTE: After 20 years in the manure pumping business, Precision Applications operated by Dave & Josh, have decided to retire and have chosen Steffes Group to sell their clean, well maintained line of equipment on online auction. This auction features over 9.5 miles of 8" hose, 24 hose carts, 7 pumps, and a full line of manure pumping support equipment-all of which was used as recently as Spring 2025. All equipment will be located at the Steffes Group Facility in Litchfield, MN with loading assistance and loading dock available on-site for loadout.
