4 inch tile
6 inch tile

Here

1/2 Every drain
we crossed there
was 3" clay tile each side
all clean apparently working
also on main center drain
there too apparently they did not
run larger tile in the main drain
but kept them up in the side
we cut across at 7+ down
did not find any but 2-3"

⑤ repaired 5" Clay Blow Out
Plugged w/ 1/2" Little Redwood
Full of Silt. On 1/4 10 ft from
White Paved L.S.
