**BUYER DEFAULT**

When using our online auction services, you are making a firm commitment to purchase said item(s) and are entering into a legal and binding contract. Bids may not be cancelled or retracted for any reason.

Non-paying bidders or fraudulent bidding will subject you to legal recourse and possible criminal charges including any fraud and/or interstate commerce violations.

**INTERNET RISK**

You acknowledge that the internet may be an unreliable and error-prone network. Steffes Group will not guarantee that bids placed online will always be transmitted to or received by the auctioneer in a timely fashion. You agree to hold Steffes Group, Inc. and its employees harmless for any interruptions in online bidding. At the sole discretion of the Company, the auction may be suspended, postponed, or cancelled if internet service is unstable or disrupts the online portion of any event that is simulcast as an Internet Auction.

Further, the auctioneer has the sole discretion to accept or refuse any bid. Steffes Group retains the right, at our sole discretion, to add, delete, or change some or all of our online services and the terms and conditions governing their online auctions at any time without notice.

**BIDDING PROCEDURE**

As a buyer you have two objectives to accomplish:

1. Purchasing the property.
2. Purchasing the property at a price you can afford.

How is this accomplished?

1. Estimate comparative value.
2. Experienced buyers always decide what to pay before the bidding begins.
3. Inspect the property carefully.
4. Compare with other properties available in the area.
5. Check the selling price of previously sold properties.
6. Discuss your buying plans with a lender. Have your financing arrangements made in advance.
7. This sale is not subject to financing.

**AVOID OVER OR UNDER BIDDING**

• Always bid on a property toward a price.

• Establish that price before the bidding begins. By doing this you will avoid getting caught up in the auction excitement and pay a price that is too high for the market or one that you cannot afford. It will also make you confident to bid to your established fair market value. Many bidders who do not plan ahead end up with regrets after the auction because they were too nervous or uncertain about their judgment to bid.

**THE BIDDING STRATEGY**

- Research and know the value of the property.
- Have your financing arranged before the auction.
- Establish your highest and best bid before the bidding begins.
- Make your bids promptly to force other bidders up or out without delay.

Please note the bidding will not close until there has been no bidding activity for a period of 4 minutes. This is accomplished through the bid extension feature of our website. Bids placed within the last 4 minutes of the auction will extend the auction an additional 4 minutes. Bid extensions continue and the auction does not end until there are no bids for 4 minutes. Our goal is to realize the highest return to the seller, and satisfy all interested parties.

***This is an AUCTION! To the Highest Bidder. The bidding will not close and property will not be sold until everyone has had the opportunity to make their highest and best bid. PLEASE NOTE THIS IS A SAMPLE FOR THE TIMED ONLINE BIDDING PLATFORM AND DOES NOT REPRESENT THIS AUCTION SALE!***

Lots with this symbol are linked together throughout the entire auction and will close together.
