

North Dakota Real Estate Commission Seller's Property Disclosure Form

www.realestatend.org

2021.06.10

North Dakota law requires a written property disclosure for the sale, exchange, or purchase of real property if:

The real property is a residential dwelling with no more than 4 units located in North Dakota being sold or exchanged by the owner.

Except as otherwise provided in an offer to purchase agreement, before the parties sign the final agreement for the sale, exchange, or purchase of real property, the seller shall make a written disclosure to the prospective buyer.

The written disclosure must include all material facts the seller is aware could adversely and significantly affect an ordinary buyer's use and enjoyment of the property or any intended use of the property of which the seller is aware.

If any party to the transaction is represented by a real estate salesperson or broker, the disclosure must use this written disclosure form or substantially similar form and must include latent defects, general condition, environmental issues, structural systems, and mechanical issues regarding the property. If the parties are not represented by real estate salesperson or broker, the seller may use this form.

This law does not apply to transactions for the sale, exchange, or purchase of real property made: (1) pursuant to a court order; (2) between government agencies; (3) by a mortgagor in default for a mortgagee; (4) pursuant to a foreclosure sale; (5) by a mortgagee or a beneficiary of a deed of trust acquired the real property by a foreclosure, deed in lieu of foreclosure, or collateral assignment of beneficial interest; (6) by a fiduciary administering a decedent's estate, guardianship, conservatorship, or trust; (7) between co-owners of the real property; (8) to a spouse, child, parent, sibling, grandchild, or grandparent; or (9) if the real property is newly constructed residential real property with no previous occupancy.

This form is designed to guide you, the seller, in making the legally required disclosures and to assist you to avoid inadvertent nondisclosures of material facts as required by statute. You must disclose all material facts that are required by law, even if not specifically asked in this form. Additional space for disclosure is provided on the last page of this form, and you may attach any additional information as necessary.

Refer to North Dakota Century Code 47-10-02.1 for more detail on requirements of the statute.
