

# Highland Dairy Cattle Auction

## *Sale Information Page*

### Regulation Testing:

- **Bird Flu & Bovine Tuberculosis (TB)** will be completed post-sale for out-of-state purchases that require testing for transport. Testing procedures along with a timeline of results are not guaranteed due to potential updates in regulatory guidelines.

### Load Out Information

- Please contact **Bob Hart at (608) 780-4587** or **Todd Voigt (320) 293-0116** to schedule an appointment for load out.
- Load out is currently scheduled for June 17-19. Please note, pick-ups for out-of-state buyers will be determined based on testing requirements and timeline of results.

### For more information, contact the following:
