Surveyor's Notes

- 1: Northstar Surveying prepared this survey without the benefit of a current abstract or title work. The property shown is based on a legal description provided by you the client or a general request at the appropriate County Recorder's office. We reserve the right to revise the survey upon receipt of a current title commitment or title opinion.
- 2: Northstar Surveying was not contacted to locate the size, location, or existence of any/all easements, right-of-way lines, setback lines, agreements or other similar matters.
- 3: Subsurface buildings, improvements and/or Environmental issues may exist on site that we were not made aware of and therefore were not examined or considered during the process of this survey.
- 4: The Chicago, Milwaukee, St. Paul and Pacific Railroad right of way was derived from Right of Way and Track Map, dated June 30, 1918, pages V.MINN9 24 and V.MINN9 25. The map is old and vague, therefore the right-of-way lines shown on this survey are approximate.
