# New Home AUCTION

## HOME

The house is 30'0" x 56'0" and 1,680 sq. feet. It includes 3 bedrooms, 2-1/2 baths, laundry room, dining room and kitchen with vaulted ceilings, accommodation for attached garage. All building and energy code inspections have been completed by the State of Minnesota. John Spanos has been the Litchfield's Senior High Technology teacher for over 25 years and this will be the 19th home built by LHS students. All framing materials were purchased from LBC Lumber, plumbing & HVAC work was done by Ricks Plumbing & Heating, D&F Electric provided the electrical work, and LBC blew in the attic insulation.
