AUCTIONEERS NOTE: After farming for over 50 years, Marvin and Sara have decided to retire from row crop farming. Steffes Group is pleased to conduct their farm retirement auction. This is a great opportunity to purchase quality, well cared for equipment straight from the farm. Many pieces of equipment were purchased new or near new with low hours from their local dealers. Please feel free to call Marvin with any questions you may have about his equipment and schedule a time to stop by the farm to conduct your own inspection.
