**AUCTIONEER'S NOTE:** Ryan and Allison Rich have decided to leave the tiling and excavating business after 12 years to focus full time on expanding their cattle operation. You will find this line of equipment has been very well maintained and is in excellent condition. All service and repair work has been done by certified technicians from either Caterpillar or John Deere with extensive service records available. Please feel free to call Ryan with any questions you may have about the equipment or to schedule a time for your own inspection.
