Auctioneer's Note: Carl Anderson has been farming with his family in northwest Illinois for many years. Following the untimely passing of his brother Neil, Carl has decided to rent out their row crop acres and focus on their growing cattle operation. This is a great opportunity to buy quality, well cared for equipment straight off the farm. Give Carl a call today with any questions you may have on his equipment or stop by the farm to do your own inspection. Items need to be removed by January 9, 2020.
