

FARM RETIREMENT AUCTION

**AUCTION HELD ONSITE AT
1705 Douglas Avenue, Nichols, IA**

Auctioneer's Note: Larry and Steve Beik have farmed in the Nichols area for over 50 years. With Larry's recent health issues, they have decided to retire and have rented their ground. Steffes group is proud to offer the Beik's equipment at public auction. A lot of the equipment was purchased new, it was always shedded and well taken care of. This event will include Larry's private collection of Oliver tractors along with a large amount of Oliver parts, tin work, weights and as well as tools and shop support items. Don't miss this opportunity to purchase well-maintained equipment with low hours, along with collectable Oliver tractors.
