The auction begins on Monday, June 14 and will end at 10AM Tuesday, June 22, 2021. All bidders must register with SteffesGroup.com as an online bidder to participate in the auction.

All bidders must register their name, address and telephone number in order for your bidding number to be approved.

The successful bidder will be required to sign an Earnest Money Receipt and Purchase Agreement at the close of the real estate auction. A total deposit of 10% of the contract sale price will be required. Those funds will be placed in a Real Estate Trust Account as good faith money until closing.

The contract signing will take place at Steffes Group, 24400 MN Hwy 22 S, Litchfield, MN 55355

If the winning bidder is unable to come to the Steffes office for signing of the contract, (320-693-9371) Arrangements will be made to email or fax a copy of the contract for signature. The buyer would fax the signed copy back to 320-693-9373 or send a scanned copy by email.

Purchasers who are unable to close because of insufficient funds will be in default and the deposit money will be forfeited. Balance of the purchase price must be paid in full at closing on or before Thursday, July 22, 2021.

Closing will take place at a professional closing company agreeable to both buyer and seller.

 Seller will provide up-to-date abstract(s) or owner's policy at their expense and will convey property by Warranty Deed.

EASEMENTS AND SURVEY

The property to be sold is subject to any restrictive covenants or easements of record and any results that an accurate survey may show.

BIDDING PROCEDURE

As a buyer you have two objectives to accomplish:

- Purchasing the property.
- Purchasing the property at a price you can afford.

HOW IS THIS ACCOMPLISHED?

- 1. Estimate comparative value.
- Experienced buyers always decide what to pay before the bidding begins.
- Inspect the property carefully.
- Compare with other properties available in the area.
- Check the selling price of previously sold properties.
- 6. Discuss your buying plans with a lender. Have your financing

arrangements made in advance.

This sale is not subject to financing.

AVOID OVER OR UNDER BIDDING

- · Always bid on a property toward a price.
- Establish that price before the bidding begins. By doing this you will avoid getting caught up in the auction excitement and pay a price that is too high for the market or one that you cannot afford. It will also make you confident to bid to your established fair market value. Many bidders who do not plan ahead end up with regrets after the auction because they were too nervous or uncertain about their judgment to bid.

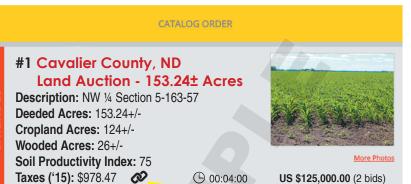

THE BIDDING STRATEGY

- Research and know the value of the property.
- Have your financing arranged before the auction.
- Establish your highest and best bid before the bidding begins.
- Make your bids promptly to force other bidders up or out without delay.

Timed Online Multi-Tract Bidding Process tract until there has been no bidding activity on any of the tracts for a period of 4 minutes. This

Please note the bidding will not close on any any of the tracts for a period of 4 minutes. This

is accomplished through the bid extension and lot linking features of our website. Bids placed within the last 4 minutes of the auction will extend the auction an additional 4 minutes. Bid extensions continue and the auction does not end until there are no bids for 4 minutes on any of the tracts. Our goal is to realize the highest return to the seller, and satisfy all interested parties by allowing bidders who are interested in one tract to have the same opportunity as multi-tract buyers. All bidding will be on a per tract basis. We will not have "per acre" bidding.

This is an AUCTION! To the Highest Bidder.

The bidding will not close and property will not be sold until everyone has had the opportunity to make his or her highest and best bid. PLEASE NOTE THIS IS A SAMPLE FOR THE TIMED ONLINE MULTI-TRACT BIDDING PLATFORM AND DOES NOT REPRESENT THIS **AUCTION SALE!**
