**COMPLAINT:**

02 Diagnose why will not start

**CORRECTION:**

Customer says skid steer will not start and the machine has sat for about a year. Replaced fuel filter tested fuel transfer pump which was working checked air filters they need to be replaced as well as the battery the turbo is completely dismounted from the manifold and sitting on engine these issues need to be addressed to further continue diag customer did not want alot of time spent on machine and insisted he fixes these issues.
