Steffes Group is excited to offer this clean lineup of mostly John Deere Equipment at the Robert & Sheila Atkinson Farm Retirement Auction. Robert grew up on a farm and started farming with his father-in-law in the late 1980s. After years of hard work and dedication, he has decided to retire to spend more time with his family and grandchildren. Robert took great pride in maintaining his equipment, and it shows in the exceptional condition of the 2010 John Deere 9570 STS. This combine is a testament to Robert's commitment to keeping his equipment in top-notch shape, but what makes this combine truly special is the memories of his grandkids riding alongside him.
