

Timed Online Farm Equipment AUCTION

OPENS: WEDNESDAY, APRIL 12

CLOSES: WEDNESDAY, APRIL 19 | 1PM CDT 2023

Belle Plaine, Iowa

Auctioneer's Note: Terry and his family initially started their farming journey in Marengo, Iowa. Eventually, they relocated to Belle Plaine where they purchased a 160-acre farm in 1959. They developed an affinity for the Allis Chambers, which they continued to utilize throughout their lives. In the late 1980s, they procured 80 additional acres of land north of their farm. As Terry's parents could no longer farm due to age and health problems, he took on the responsibility of managing the farm full-time in the 1980s until his passing in November 2022.
